Hi Ellen,

The Center for Cultural Innovation is requesting that their assessment be reduced to \$89. I see that you reduced it from \$3,540 to \$1,116 on July 10, 2018. You might want to ask them for documentation on their gross receipts.

Let me know if you will reduce the assessment amount any further. The change form is attached below.

Rita

Rita,  
A stakeholder called asking why their assessment keeps going up. They are non profit and were charged only \$89 last year and now their assessment went back up to \$1,116.00.

Lauren Bailey spoke with Ellen in may when the notice of public hearing was mailed out and Ellen assured her that the assessment would be corrected.

Can you please find out?

Thanks
